NOTICES

Special Enrollment Periods. If you are waiving coverage for yourself or your eligible dependents as defined by your Plan (including your spouse) because you or they are currently covered under other health insurance or another health care plan, you may be able to enroll yourself or your dependents for coverage under this plan in the future, provided that you request such coverage within thirty (30) days after such other coverage ends. Also, if you acquire an eligible dependent, as defined by your Plan, as a result of marriage, birth, adoption or placement for adoption of a child under the age of 18, you may enroll yourself and your newly acquired dependent children or spouse for coverage under this Plan, provided that you request such coverage within thirty (30) days after marriage, birth, adoption or placement for adoption. An application for coverage must be received in the MUST office within 60 days of the event. Consult your Summary Plan Description for more detailed information

Pre-existing Condition Exclusion. This health benefit plan may exclude certain medical conditions (either physical or mental) from coverage, if you or an eligible dependent received medical advice, diagnosis, treatment or care for that condition, including prescription medication, within a six (6) month period immediately preceding your enrollment date under this health benefit plan. The enrollment date means the date you or your dependent becomes eligible for coverage under this Plan. The plan will only apply the exclusion to Late Enrollees.
Such pre-existing conditions may be excluded from coverage for a period of eighteen (18) consecutive months beginning on your enrollment date. ***For information specifying the exact time periods referred to in this notice, consult your Plan Administrator, employer, or Summary Plan Description.***

Creditable Coverage. You or your eligible dependent, as defined by this Plan, may submit to the Plan Administrator, certification of Creditable Coverage from any prior health insurance or health care plan under which you or your eligible dependent had coverage, for the purpose of reducing, on a day-for-day basis, the pre-existing condition exclusion imposed by this Plan for any pre-existing condition for which you or your eligible dependent had applicable Creditable Coverage.
You or your eligible dependent have a right to request and receive a Certificate of Creditable Coverage from any insurance carrier or health care plan under which you or your eligible dependent had coverage.
If you are unable to obtain a Certificate of Creditable Coverage from your prior insurance carrier or health plan, the Plan Administrator will provide assistance to obtain the same from your prior carrier or health plan. The Plan also has written procedures to determine Creditable Coverage if you are unable to obtain a Certificate of Creditable Coverage. Please consult the Plan Administrator for more information regarding this procedure.
"Creditable Coverage" means health or medical coverage under which you or your eligible dependent was covered, prior to your enrollment date under this Plan, which prior coverage was under any of the following:

- | | |
|---|---|
| 1. A group health Plan | 6. A medical care program of the Indian Health Service or a tribal organization |
| 2. Health insurance coverage | 7. A state health benefits risk pool |
| 3. Part A or Part B of Title XVII of the Social Security Act | 8. A health plan offered under Chapter 89 of Title 8, United States Code. |
| 4. Title XIX of the Social Security Act, other than coverage consisting solely of benefits under Section 1928 | 9. A public health plan including a nationalized health plan of a foreign country |
| 5. Chapter 55 of Title 10, United States Code | 10. A health benefit plan under Section 5(e) of the Peace Corps Act |
| | 11. State Children's Health Insurance Program |

Creditable Coverage for which there has not been a break exceeding sixty-three (63) days prior to a Covered Person's effective date of coverage under this Plan, shall be credited on a day-for-day basis against any pre-existing condition exclusion imposed by the terms of this Plan provided that the prior creditable coverage included coverage for the excluded condition. A **"Certificate of Creditable Coverage"** must include the following information in order for us to determine the exact number of days to be reduced from the **pre-existing condition exclusionary period**.

1. The name or names of the individuals who were previously covered.
2. The date the previous health coverage began.
3. The date the previous health coverage ended.

INSURANCE ID CARDS AND OTHER LIKE DOCUMENTS CANNOT BE ACCEPTED IN LIEU OF CERTIFICATES OF CREDITABLE COVERAGE BUT MAY BE USED AS EVIDENCE OF ANY PRIOR COVERAGE.
